

**Press quotes:**

"Born in Texas, living in Nashville, Culwell is following the through-line between Bruce Springsteen and Jason Isbell" -Rolling Stone

"Flatlands sounds like the Bible Belt cousin to Bruce Springsteen's Nebraska." -Rolling Stone

"Flatlands sounds like the score to some long-lost Cormac McCarthy film" -Rolling Stone

"His songs themselves wring grace from plain and often dark details, expressing the realities of class and region in ways that many other writers barely touch." -Ann Powers, NPR Music

"Stark and stunning (mostly) folk masterworks from a former roadhouse country singer." -Brian T Atkinson, CMT Edge

"Keep a close eye on Culwell for sure. He's the real deal." CMT Edge
